### DESCRIPTION

#### 2017 Jeep Compass Sport/North

The 2017 Jeep Compass Sport 75th Anniversary Edition is one of those rigs that leans more into style and chill weekend exploring than hardcore off-roading. Its got that classic Jeep vibe with some unique touches, bronze accents, special stitching, and just enough rugged attitude to feel right at home cruising coastal roads or heading out to a trailhead. Its not fast, its not flashy, but it gets the job done with simple, honest capability. Perfect for someone who wants a no-nonsense SUV with a bit of personality and doesn't need all the extra bells and whistles. Reviews: \* In addition to its size, stance, and proportions, the Compass has attracted many owners with its promise of superior all-weather and off-road capability. Solid on-road characteristics round out the package, and the tech inside is all fairly easy to use and learn. Source: autoTRADER.ca Buying an used vehicle should be a s...
